

Meeting the future technology demand for charging EV batteries & more!

BlueBox

ECOPower infraXcite product

ECO Power solutions 
THE CORE FOR ENERGY OPTIMIZATION

BlueBox
ECOPower infraXcite product

Our mission

Reducing significant environmental impacts.
Enhance vehicles lifetime, reduce batteries
aging process and expand mileage range.

Provide a substantial green system footprint!

ECO Power mobility solutions

A worldwide novelty designed
for any old or new EV.

Plug & Play device
with essential benefits
for the EV and the owner.

Our solution

BLUEBOX
BIONIC CHARGER
