

HIGH QUALITY WATER!

The **waterXcite improvement stick** uses a bio energetic effect to vitalize the water. This causes a reduction of impairing elements in the water and the improvement in already available positive elements. Water becomes nature. The effect of the **waterXcite improvement stick** is based on bio energetic basis by harmonisation of energy constellations.

INSTRUCTIONS:

Please clean the surface of the uncoated water pipe!
Simply install the **waterXcite improvement stick** with 2 ties or adhesive tape on the main water pipe with a max diameter of 2 inch. The change in water happens immediately. Now you can enjoy your fresh and new tasting water!
